**Subject:** Doctors Without Borders 2024 Annual Report

**Date:** November 18, 2025 at 7:12:36 AM PST

**To:** email address removed by me (John Cosgrave)

Dear **name removed**,

I want to take a moment to once again express our heartfelt gratitude for your role in facilitating the **Annie Mary Cosgrave Trust's legacy gift** to Doctors Without Borders/Médecins Sans Frontières (MSF) last year. I'm pleased to share that our 2024 Annual Report is now available online. Within the report, we are honored to recognize the Annie Mary Cosgrave Trust's generosity in the donor listing section.

Every day, MSF teams are tackling humanitarian emergencies that affect millions of people. And they're doing it in the most challenging environments in the world. But through it all, legacy gifts have enabled our teams to deliver care where it is needed most—in conflict zones, in the aftermath of natural disasters, and during deadly outbreaks of diseases.

I invite you to review the 2024 Annual Report [**JBC note:** the link was provided, but I have given it independently of this text] to see firsthand how contributions like the Annie Mary Cosgrave Trust's have helped us save lives and bring hope to those in need. Thank you for helping to make this work possible.

With gratitude,

Casey Saunders  
Director of Legacy Giving  
Doctors Without Borders/Médecins Sans Frontières USA
